19 October 2018

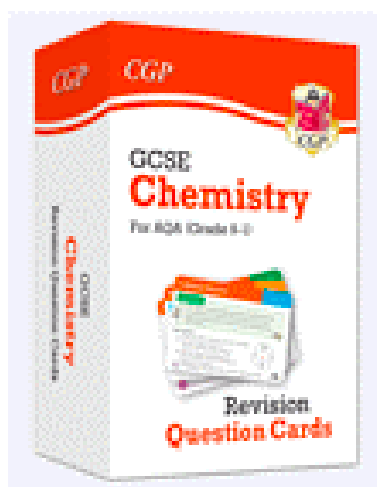

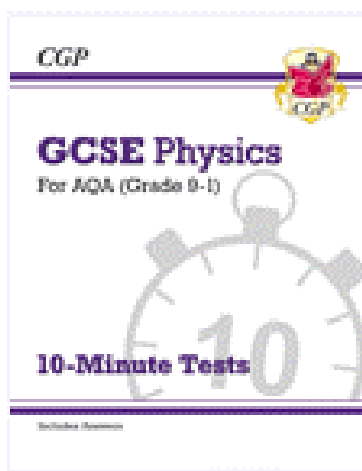

Dear Parent/Carer

To help you to support your child's learning in science we are happy to offer a discounted GCSE revision guide for Separate Science. We have selected CGP revision guide as it is exceptionally good value, and has been shown to raise standards of understanding and achievement. The revision guide also include a free online edition, so revision materials can be accessed on the web or through smart phone apps and practice exam questions.

Due to bulk ordering we can provide the following bundle for Chemistry, Physics and Biology for £16.50.

New Grade 9-1 GCSE Combined Science Chemistry, Physics and Biology: AQA Complete Revision & Practice with Online Edition

Additionally, this year we are adding the following new revision aids:

New Grade 9-1 GCSE: AQA 10-Minute Tests. (Biology, Physics and Biology, Bundle: £6)

New 9-1 GCSE Separate Science: AQA Revision Question Cards. (Chemistry, Biology, and Physics, Bundle: £12)

Apart from the question cards, all revision materials are available in

two additions Higher or Foundation. If you are unsure as to which to choose, please ask your child's science teacher who will inform them which is best suited for them.

The closing date for payment will be 31 October 2018 after this date revision guides will not be available to buy from the school. Payment should be made via ParentPay or by making payment through a paypoint store using a barcoded letter. If your child is eligible for pupil premium they should request the revision material through their Science teacher, who will be more than happy to make the appropriate order for them (no payment will be needed). For a barcoded letter or for any further assistance with this process please contact the Student Office on ext 130.

Yours faithfully,

Dr M Brownhill
BSc (Hons), MSc, PhD
Head of Faculty: Science
