RNIB College Loughborough.

Dear Parent/Carer

Your son / daughter has recently joined our 3M young innovators challenge club. As part of the challenge they will be designing and making a product for the visually impaired/blind. Your child will be presenting their work at the 3M factory on the **30 April 2019**. To help prepare for this I have been in touch with the local RNIB College in Loughborough and they have kindly agreed to let us visit their college on **Wednesday 13 February 2019**.

This trip will allow your child to see first-hand what day to day life is like for people who are partially sighted or blind. They will also get to interview and ask questions to find out what people want to help them with everyday life and see a range of existing products.

As we will be leaving Woodbrook Vale at 1.00pm and travelling by coach to the College, students will each their lunch before leaving. We will be arrive back at school by 3pm.

There will be no charge for this trip.

Please complete the consent form / reply slip and return it to your child's form tutor by **Friday 8 February 2019**

Yours faithfully

Mr C Worth
Teacher of Design Technology
