- *Our Head of Centre has overall responsibility for the school as an examinations centre and will ensure that clear roles and responsibilities of all staff are defined.*
- *Our Head of Centre will confirm that teacher assessed grade decisions represent the academic judgement made by teachers and that the checks in place ensure these align with the guidance on standards provided by awarding organisations.*
- *Our Head of Centre will ensure a robust internal quality assurance process has been produced and signed-off in advance of results being submitted.*

Senior Leadership Team and Heads of Faculty

Our Senior Leadership Team and Heads of Faculties will:

- *provide training and support to our other staff.*

- *ensure an effective approach within and across faculties and authenticating the preliminary outcome from single teacher subjects.*
- *be responsible for ensuring staff have a clear understanding of the internal and external quality assurance processes and their role within it.*
- *ensure that all teachers within their faculty make consistent judgements about student evidence in deriving a grade.*
- *ensure all staff conduct assessments under the appropriate levels of control with reference to guidance provided by the Joint Council for Qualifications.*
- *ensure teachers have the information required to make accurate and fair judgements.*
- *ensure that a Head of Faculty Checklist is completed for each qualification that they are submitting.*

Teachers/ Specialist Teachers / SENDCo

Our teachers, specialist teachers and SENDCo will:

- *ensure they conduct assessments under our centre's appropriate levels of control and have sufficient evidence, in line with this Centre Policy and guidance from the Joint Council for Qualifications, to provide teacher assessed grades for each student they have entered for a qualification.*
- *ensure that the teacher assessed grade they assign to each student is a fair, valid and reliable reflection of the assessed evidence available for each student.*
- *make judgements based on what each student has been taught and what they have been assessed on, as outlined in the section on grading in the main JCQ guidance.*
- *produce an Assessment Record for each subject cohort, that includes the nature of the assessment evidence being used, the level of control for assessments considered, and any other evidence that explains the determination of the final teacher assessed grades. Any necessary variations for individual students will also be recorded.*
- *securely store and be able to retrieve sufficient evidence to justify their decisions.*

Examinations Officer

Our Examinations Officer will:

- *be responsible for the administration of our final teacher assessed grades and for managing the post-results services.*

Training, support and guidance

This section of our Centre Policy outlines the training, support and guidance that our centre will provide to those determining teacher assessed grades this year.

Training

This section provides details of the approach our centre will take to *training, support and guidance in determining teacher assessed grades this year*

- *Teachers involved in determining grades in our centre will attend any centre-based training to help achieve consistency and fairness to all students.*
- *Teachers will engage fully with all training and support that has been provided by the Joint Council for Qualifications and the awarding organisations.*

Support for Newly Qualified Teachers and teachers less familiar with assessment

This section provides details of our approach to *training, support and guidance for newly qualified teachers and teachers less familiar with assessment*

- *We will provide mentoring from experienced teachers to NQTs and teachers less familiar with assessment.*
- *We will put in place additional internal reviews of teacher assessed grades for NQTs and other teachers as appropriate.*

Use of appropriate evidence

This section of our Centre Policy indicates how our centre will give due regard to the section in the JCQ guidance entitled: *Guidance on grading for teachers*.

A. Use of evidence

This section gives details in relation to our use of evidence.

- *Teachers making judgements will have regard to the Ofqual Head of Centre guidance on recommended evidence, and further guidance provided by awarding organisations.*
- *All candidate evidence used to determine teacher assessed grades, and associated documentation, will be retained and made available for the purposes of external quality assurance and appeals.*
- *We will be using student work produced in response to assessment materials provided by our awarding organisation(s), including groups of questions, past papers or similar materials such as practice or sample papers.*
- *We will use non-exam assessment work (often referred to as coursework), even if this has not been fully completed.*
- *We will use student work produced in centre-devised tasks that reflect the specification, that follow the same format as awarding organisation materials, and have been marked in a way that reflects awarding organisation mark schemes.*
- *We will use substantial class or homework (including work that took place during remote learning).*
- *We will use internal tests taken by students.*
- *We will use mock exams taken over the course of study.*
- *We will use records of a student's capability and performance over the course of study in performance-based subjects such as music, drama and PE.*

We provide further detail in the following areas:

Additional Assessment Materials

- *We will use additional assessment materials to give students the opportunity to show what they know, understand or can do in an area of content that has been taught but not yet assessed.*
- *We will use additional assessment materials to give students an opportunity to show improvement, for example, to validate or replace an existing piece of evidence.*
- *We will use additional assessment materials to support consistency of judgement between teachers or classes by giving everyone the same task to complete.*
- *We will combine and/or remove elements of questions where, for example, a multi-part question includes a part which focuses on an element of the specification that hasn't been taught.*

Our centre will ensure the appropriateness of evidence and balance of evidence in arriving at grades in the following ways:

- We will consider the level of control under which an assessment was completed, for example, whether the evidence was produced under high control and under supervision or at home.*
- We will ensure that we are able to authenticate the work as the student's own, especially where that work was not completed within the school.*
- We will consider the limitations of assessing a student's performance when using assessments that have been completed more than once, or drafted and redrafted, where this is not a skill being assessed.*
- We will consider the specification and assessment objective coverage of the assessment.*
- We will consider the depth and breadth of knowledge, understanding and skills assessed, especially higher order skills within individual assessments.*

Determining teacher assessed grades

This section of our Centre Policy outlines the approach our centre will take to awarding teacher assessed grades.

Awarding teacher assessed grades based on evidence

We give details here of our centre's approach to awarding teacher assessed grades.

- Our teachers will determine grades based on evidence which is commensurate with the standard at which a student is performing, i.e. their demonstrated knowledge, understanding and skills across the content of the course they have been taught.*
- Our teachers will record how the evidence was used to arrive at a fair and objective grade, which is free from bias.*
- Our teachers will produce an Assessment Record for each subject cohort and will share this with their Head of Faculty. Any necessary variations for individual students will also be shared.*

NOTE: Each subject has completed a checklist declaration for the process they used to agree their teacher-assessed grades and these are included as an [appendix](#) to this document.

BTEC Centre Policy for Q-TAGs

This section of our Centre Policy outlines the approach our centre will take to awarding teacher assessed grades for BTEC vocational subjects.

Awarding Qualification Level Teacher Assessed Grades (Q-TAGs) for BTEC subjects

Aims of this Policy:

To ensure the Q-TAGs we determine for our learners are sufficiently valid and reliable our centre has:

- *Reviewed the specification grading information ie. unit-level assessment criteria and grade descriptors with the subject teaching team*
- *Considered what evidence we will have from the content that has been taught*
- *Collected the evidence*
- *Evaluated the quality of the evidence*
- *Assigned a Qualification-Level Teacher Assessed Grade (Q-TAG)*
- *Reflected on our judgement before submission*

The above steps are consistent, in the main, with the steps of the TAG process for GCSE courses with the only deviations due to differing course structures (eg external examination of some components may take place mid-course).

- *To ensure that our vocational learners can feel confident in the process we have taken to determine their Q-TAG.*
- *We have checked existing BTEC policies, and confirm that existing BTEC policies now also apply in the context of Q-TAG judgements. Any Q-TAG is based on appropriate sources of evidence and has gone through an internal quality assurance process (which includes our final sense check of outcomes against any historical centre outcomes).*
- *We have ensured that our methodology used to determine the Q-TAG is consistent across the vocational subjects and is sufficiently valid, reliable and does not advantage or disadvantage any group of, or individual, learners.*

Our Head of Centre Declaration confirms we have:

- *Ensured that all relevant teaching staff (i.e. Assessors, Internal Verifiers, Heads of Faculty and Head of Centre) will use the guidance provided by Pearson to confirm the Q-TAG, and refer to supplementary guidance from JCQ and Ofqual where required.*
- *Ensured that the evidence that has been used for each Q-TAG judgement is sufficiently documented to ensure that it can be explained to the learner or Parent or Carer in the case of Appeals, and to Pearson.*
- *Taken into account previous years' results, and if there is a material difference in the results profile expected in 2021, we must be able to explain why its results are significantly out of line with past performance (be that higher or lower).*
- *Ensured that all assessment evidence is retained in line with Ofqual's Vocational Contingency Regulatory Framework (evidence which is used to support the Qualification-Level Teacher Assessed Grade should be retained until 6 months after the date of the issue of the result, or the conclusion of any appeal in relation to that result, whichever*

is later). In some cases, evidence may no longer be available, JCQ has released guidance on the retention of evidence in these circumstances. Evidence must be made available for the purposes of further external quality assurance or an Appeal. This will include documentation that demonstrates the above process for the Q-TAG judgement has been followed, i.e.:

- Records of Standardisation of Assessors and Internal Verifiers and other relevant members of staff, in relation to the Q-TAG process and holistic judgements*
- Evidence sheets for learners*
- The alternative sources of evidence that have been considered*
- Any additional Assessment and Internal Verification materials*
- Any assessed learner work assessment records*
- Records of performance data used for sense check, with explanation for any deviation in the 2021 Q-TAG judgements (if there is a material difference in the profiles expected in 2021).*
- Ensured we follow all other policies as set out in the Pearson Annual Centre Declaration signed in 2021, including Pearson Terms and Conditions. This includes areas such as:*
 - Equality and Diversity*
 - Safeguarding*
 - Health and Safety (including any arrangements for employer Involvement)*
 - Special Consideration and Reasonable Adjustment*
 - Recognition of Prior Learning*
 - Registration and Certification of Learners*
 - Assessment*
 - Internal verification*
 - Plagiarism and Assessment Malpractice*
 - Appeals & Complaints*

Internal quality assurance

This section of our Centre Policy outlines the approach our centre will take to ensure internal standardisation of teacher assessed grades, to ensure consistency, fairness and objectivity of decisions.

Head of Centre Internal Quality Assurance and Declaration

Internal quality assurance

This section gives details of our approach to internal standardisation, within and across subject faculties.

- *We will ensure that all teachers involved in deriving teacher assessed grades read and understand this Centre Policy document.*
- *In subjects where there is more than one teacher and/or class in the faculty, we will ensure that our centre carries out an internal standardisation process.*
- *We will ensure that all teachers are provided with training and support to ensure they take a consistent approach to:*
 - *Arriving at teacher assessed grades*
 - *Marking of evidence*
 - *Reaching a holistic grading decision*
 - *Applying the use of grading support and documentation*
- *We will conduct internal standardisation across all grades.*
- *We will ensure that the Assessment Record will form the basis of internal standardisation and discussions across teachers to agree the awarding of teacher assessed grades.*
- *Where necessary, we will review and reflect on individual grading decisions to ensure alignment with the standards as outlined by our awarding organisation(s).*
- *Where appropriate, we will amend individual grade decisions to ensure alignment with the standards as outlined by our awarding organisation(s).*
- *Where there is only one teacher involved in marking assessments and determining grades, then the output of this activity will be reviewed by an appropriate member of staff within the centre. This will be their Head of Faculty or another experienced teacher where appropriate.*
- *In respect of equality legislation, we will consider the range of evidence for students of different protected characteristics that are included in our internal standardisation.*

Fischer Family Trust External Quality Assurance

Fischer Family Trust (FFT) quality assurance

This section gives details of our approach to additional standardisation, within and across subjects and faculties.

For additional validation, we will use the **FFT 2021 GCSE Benchmarking Service**.

By uploading our provisional teacher-assessed grades, we will get independent feedback on:

- *Comparing this year's teacher assessed grades to 2020 (CAGs) and 2019 outcomes.*
- *Understand the context of each individual subject cohort.*
- *Compare our 2021 Teacher Assessments against FFT estimates based on our own school's progress in previous years.*
- *Highlight unusual GCSE subject grade patterns at our school.*
- *Gain an early indication of 2021 Value Added progress scores.*

This information will be used to further cross-check our provisional teacher-assessed grades and highlight any areas for investigation before the confirmed teacher-assessed grades are submitted.

Comparison of teacher assessed grades to results for previous cohorts

This section of our Centre Policy outlines the approach we will take to compare our teacher assessed grades in 2021 with results from previous cohorts.

Comparison of teacher assessed grades to results for previous cohorts

This section gives details of our internal process to ensure a comparison of teacher assessed grades at qualification level to results for previous cohorts in our centre taking the same qualification.

- *We will compile information on the grades awarded to our students in past June series in which exams took place (e.g. 2017 - 2019).*
- *We will consider the size of our cohort from year to year.*
- *We will consider the stability of our centre's overall grade outcomes from year to year.*
- *We will consider both subject and centre level variation in our outcomes during the internal quality assurance process.*
- *We will prepare a subject-by-subject succinct narrative on the outcomes of the review against historic data which, in the event of significant divergence from the qualifications-levels profiles attained in previous examined years, which address the reasons for this divergence. This commentary will be available for subsequent review during the QA process. The appendix to this document contains this subject-by-subject narrative ([appendix](#))*

This section gives details of the approach our centre will follow if our initial teacher assessed grades for a qualification are viewed as overly lenient or harsh compared to results in previous years.

- *We will compile historical data giving appropriate regard to potential mixtures of A*-G and 9-1 grades in GCSEs. Where required, we will use the Ofqual guidance to convert legacy grades into the new 9 to 1 scale.*
- *We will bring together other data sources that will help to quality assure the grades we intend to award in 2021.*

This section gives details of changes in our cohorts that need to be reflected in our comparisons.

- *We will omit subjects that we no longer offer from the historical data.*

Access Arrangements and Special Considerations

This section of our Centre Policy outlines the approach our centre will take to provide students with appropriate access arrangements and take into account mitigating circumstances in particular instances.

Reasonable adjustments and mitigating circumstances (special consideration)

This section gives details of our approach to access arrangements and mitigating circumstances (special consideration).

- *Where students have agreed access arrangements or reasonable adjustments (for example a reader or scribe) we will make every effort to ensure that these arrangements are in place when assessments are being taken.*
- *Where an assessment has taken place without an agreed reasonable adjustment or access arrangement, we will remove that assessment from the basket of evidence and alternative evidence obtained.*
- *Where illness or other personal circumstances might have affected performance in assessments used in determining a student's standard of performance, we will take account of this when making judgements.*
- *We will record, as part of the Assessment Record, how we have incorporated any necessary variations to take account of the impact of illness or personal circumstances on the performance of individual students in assessments.*
- *To ensure consistency in the application of Special Consideration, we will ensure all teachers have read and understood the document: [JCQ – A guide to the special consideration process, with effect from 1 September 2020](#)*

Addressing disruption/differential lost learning (DLL)

B. Addressing Disruption/Differentiated Lost Learning (DLL)

This section gives details of our approach to address disruption or differentiated lost teaching.

- *Teacher assessed grades will be determined based on evidence of the content that has been taught and assessed for each student.*

Objectivity

This section of our Centre Policy outlines the arrangements in place to ensure objectivity of decisions.

Objectivity

This section gives a summary of the arrangements in place within our centre in relation to objectivity.

Staff will fulfil their duties and responsibilities in relation to relevant equality and disability legislation.

- *Senior Leaders, Heads of Faculty and Centre will consider:*
 - *sources of unfairness and bias (situations/contexts, difficulty, presentation and format, language, conditions for assessment, marker preconceptions);*
 - *how to minimise bias in questions and marking and hidden forms of bias); and*
 - *bias in teacher assessed grades.*
- *To ensure objectivity, all staff involved in determining teacher assessed grades will be made aware that:*
 - *unconscious bias can skew judgements;*
 - *the evidence presented should be valued for its own merit as an indication of performance and attainment;*
 - *teacher assessed grades should not be influenced by candidates' positive or challenging personal circumstances, character, behaviour, appearance, socio-economic background, or protected characteristics;*
 - *unconscious bias is more likely to occur when quick opinions are formed; and our internal standardisation process will help to ensure that there are different perspectives to the quality assurance process. **All staff have viewed a CPD video raising awareness of the issues above.***

Recording decisions and retention of evidence and data

This section of our Centre Policy outlines our arrangements to record decisions and to retain evidence and data.

C. Recording Decisions and Retention of Evidence and Data

This section outlines our approach to recording decisions and retaining evidence and data.

- *We will ensure that teachers and Heads of faculties maintain records that show how the teacher assessed grades process operated, including the rationale for decisions in relation to individual marks/grades.*
- *We will ensure that evidence is maintained across a variety of tasks to develop a holistic view of each student's demonstrated knowledge, understanding and skills in the areas of content taught.*
- *We will put in place recording requirements for the various stages of the process to ensure the accurate and secure retention of the evidence used to make decisions.*
- *We will comply with our obligations regarding data protection legislation.*
- *We will ensure that the grades accurately reflect the evidence submitted.*
- *We will ensure that evidence is retained electronically or on paper in a secure centre-based system that can be readily shared with our awarding organisation(s).*

Physical evidence such as completed assessments will be retained from Easter onwards. Other physical evidence from prior to Easter may be available, where students have not taken assessments away. All evidential data is available through our **school-wide Go4Schools system**.

Authenticating evidence

D. Authenticating evidence

This section of our Centre Policy details the mechanisms in place to ensure that teachers are confident in the authenticity of evidence, and the process for dealing with cases where evidence is not thought to be authentic.

- *Robust mechanisms, which will include moderation, will be in place to ensure that teachers are confident that work used as evidence is the students' own and that no inappropriate levels of support have been given to students to complete it, either within the centre or with external tutors.*
- *It is understood that awarding organisations will investigate instances where it appears evidence is not authentic. We will follow all guidance provided by awarding organisations to support these determinations of authenticity.*

Confidentiality, malpractice and conflicts of interest

Confidentiality

This section of our Centre Policy outlines the measures in place to ensure the confidentiality of the grades our centre determines, and to make students aware of the range of evidence on which those grades will be based.

A. Confidentiality

- *Relevant details from this Policy, including requirements around sharing details of evidence and the confidentiality requirements, have been shared with parents/guardians.*

Malpractice

This section of our Centre Policy outlines the measures in place to prevent malpractice and other breaches of exam regulations, and to deal with such cases if they occur.

B. Malpractice

This section details the measures in place in our centre to prevent malpractice and, where that proves impossible, to handle cases in accordance with awarding organisation requirements.

- *Our general centre policies regarding malpractice, maladministration and conflicts of interest have been reviewed to ensure they address the specific challenges of delivery in Summer 2021.*
- *All staff involved have been made aware of these policies, and have received training in them as necessary.*
- *All staff involved have been made aware of the specific types of malpractice which may affect the Summer 2021 series including:*
 - *breaches of internal security;*
 - *deception;*
 - *improper assistance to students;*
 - *failure to appropriately authenticate a student's work;*
 - *over direction of students in preparation for common assessments;*
 - *allegations that centres submit grades not supported by evidence that they know to be inaccurate;*
 - *centres enter students who were not originally intending to certificate a grade in the Summer 2021 series;*
 - *failure to engage as requested with awarding organisations during the External Quality Assurance and appeal stages; and*
 - *failure to keep appropriate records of decisions made and teacher assessed grades.*

The consequences of malpractice or maladministration as published in the JCQ guidance: [JCQ Suspected Malpractice: Policies and Procedures](#) and including the risk of a delay to students receiving their grades, up to, and including, removal of centre status have been outlined to all relevant staff.

Conflicts of Interest

This section of our Centre Policy outlines the measures in place to address potential conflicts of interest.

C. Conflicts of Interest

This section details our approach to addressing conflicts of interest, and how we will respond to such allegations.

- *To protect the integrity of assessments, all staff involved in the determination of grades must declare any conflict of interest such as relationships with students to our Head of Centre for further consideration.*

Our Head of Centre will take appropriate action to manage any conflicts of interest arising with centre staff in accordance with the JCQ documents - [General Regulations for Approved Centres. 1 September 2020 to 31 August 2021.](#)

We will also carefully consider the need to separate duties and personnel to ensure fairness in later process reviews and appeals.

No interests were declared. There were no staff with relations of Year 11 students were involved with, or had access to the TAG decision making processes.

Private candidates

This section of our Centre Policy outlines our approach to working with Private Candidates to arrive at appropriate grades.

Private Candidates

This section details our approach to providing and quality assuring grades to Private Candidates.

- *Our arrangements for assessing Private Candidates to arrive at appropriate grades are identical to the approaches utilised for internal candidates.*
- *Where it has been necessary to utilise different approaches, the **JCQ Guidance on Private Candidates** has been followed and any divergences from our approach for internal candidates have been recorded on the appropriate class/student documentation.*
- *In undertaking the review of cohort grades in conjunction with our centre results profiles from previous examined years, the grades determined by our centre for Private Candidates have been excluded from our analysis.*

External Quality Assurance

This section of our Centre Policy outlines the arrangements in place to comply with awarding organisation arrangements for External Quality Assurance of teacher assessed grades in a timely and effective way.

- *All staff involved have been briefed on the possibility of interaction with awarding organisations during the different stages of the External Quality Assurance process and can respond promptly and fully to enquiries, including attendance at Virtual Visits should this prove necessary.*
- *Arrangements are in place to respond fully and promptly to any additional requirements/reviews that may be identified as a result of the External Quality Assurance process.*
- *Staff have been made aware that a failure to respond fully and effectively to such additional requirements may result in further action by the awarding organisations, including the withholding of results.*
