Dear Parent/Carer

Recently we have reviewed the after school 'Hub' provision and have decided to make a few small changes to ensure that your child is using the facility to its full purpose. The Hub is designed for somewhere students can go to receive extra support completing homework or with their learning. Students are expected to use their homework planners or Go4Schools to check what homework they have to complete and then use the time to complete it. If they have completed their homework then additional work can be completed or the student can go home.

Students will not be allowed to play on online games and should be completing work to support their studies.

The staff who run the hub will be able to provide extension tasks and additional work to ensure no student is without work whilst they are at the Hub.

As students get closer to their GCSE exams in Year 10 and 11 the Hub would be a suitable place to revise from and specialist subject support may be available.

The Hub runs from 3pm -5pm Mon – Thursday and 3pm-4:45pm on a Friday.

The cost of the Hub is £3, unless they are eligible for Pupil Premium funding , in which case it is offered free of charge. Students will be given a drink and a biscuit/fruit.

If you wish your child to attend the hub please fill in the application form attached to this letter. This can also be found on the school website or following the link below

If you have any questions regarding The Hub please do not hesitate to contact me.

Yours faithfully
