### **ADDENDUM: COVID-19**

The information that follow is a temporary amendment to the Initial Teacher Training (ITT) Policy to take into account the short term changes that need to be in place during the Covid-19 pandemic 2020. It takes into account the school risk assessment and DFE guidance for the wider opening of secondary schools from 1<sup>st</sup> September 2020.

- Trainees will stay with their mentor for tutor time experience to reduce contacts around the school.
- Trainees may conduct both placements within the same school so could be at Woodbrook Vale for the whole academic year.
- ITT providers are managing the time trainees are in external training, following their own risk assessments to reduce the number of contacts for trainees.
- Trainees have been provided with the Wider Opening of Schools Policy.
- Some mentor meetings may have to be conducted virtually.
- Trainees should follow school guidance for remote learning as required.
