### Governing Board Vacancies - April 2024

**There are vacancies for two new Parent Trustees (Governors) on the School Governing Board.**

The role of a trustee focuses on three areas:

- Vision/Ethos (values) - one that values every child

I am very happy to discuss the role with any interested parent - if you would like to talk to me, contact me at [gavin.brown@wbvs.co.uk](mailto:gavin.brown@wbvs.co.uk).

Letters and nomination forms will be emails to all parents/carers next week; Friday 26 April 2024. If you would like a paper copy of the letter and nomination form, please contact the school office at [office@wbvs.co.uk](mailto:office@wbvs.co.uk) who will send a copy home with your child.

Nomination forms will need to be returned to school by **midday on Wednesday 08 May 2024**.

### Price Rises in Canteen

After more than 5 years with no rises in prices in our school canteen, we have had to succumb to the pressure of rises in wage costs and food costs.

From **Monday 29th April**, the cost of a main meal deal will go up to £3.25. Canned drinks will go up to £1.00 but drinks for reusable bottles will remain the same and will always be a much better option.

Please encourage your child/young person to get a reusable drinks bottle and make regular use of it. It is better for the environment and better for your wallet!

## SPOTLIGHT ON AUTHOR

### ANTHONY HOROWITZ

Anthony is one of the most prolific and successful writers working in the UK – and is unique for working across so many medias. Anthony has written over 50 books including the bestselling teen spy series Alex Rider, which is estimated to have sold 21 million copies worldwide and has been turned into a hugely successful TV series. A third series has just been filmed and the fourteenth Alex Rider novel, Nightshade: Revenge will be published in 2023.

Anthony is also an acclaimed writer for adults and was commissioned to write two new Sherlock Holmes novels The House Of Silk and Moriarty. He was commissioned by the Ian Fleming Estate to write continuation novels for James Bond with Trigger Mortis and Forever and Day, published in 2015 and 2018 respectively. A third novel in the series With A Mind To Kill was published in May 2022.

Anthony's award-winning novel Magpie Murders was published in October 2016 to critical acclaim and was serialised on BritBox at the beginning of 2022 with Lesley Manville in the lead role.

It's sequel, Moonflower Murders, will begin filming in September 2023. His new series featuring Detective Hawthorne and a sidekick called Anthony Horowitz has four books so far: The Word is Mruder, The Sentence is Death, A Line to Kill and the recently published The Twist of a Knife. Anthony has just started work on a fifth: Close to Death.

In 2019 Anthony became a Patron to Home-Start in Suffolk, a small local family support charity working with families across the Suffolk county, as they navigate through challenging circumstances such as mental health issues, bereavement, long term or terminal illness, isolation, domestic abuse, poverty and so much more. The valuable work the organisation does right in the heart of the community – bringing together trained volunteers into families lives to support them both practically and emotionally, helping them to grow in confidence and empowering them with the skills to raise their children to flourish – is why Anthony chose to support this dedicated and hardworking charity.

And in Anthony's own words – "for me, charity begins at Home-Start".

Anthony was awarded a CBE in 2022 for his services to literature.
