Dear Parents/Carers,

We have recently improved the information available to you in Go4Schools regarding the progress of students in Year 11.

We have shown all the important assessments and hope that this will help to both challenge and encourage our students. For some subjects it will be a message of 'keep going'. For some subjects it might be a nudge to attend extra sessions, complete extra homework, or ask for more help.

I have included a sample screenshot below. Please do visit the "progress" tab in G4S to get this level of detail on your child. Students can also view it themselves.
