Cover is provided for each passenger who is shown as having paid the insurance premiums and whose name is shown on the premium receipt issued by **SKI & SPORT TRAVEL**. This insurance wording is a copy of the master policies and is subject to the terms, conditions and exclusions of the master policies.

ACCURATE & RELEVANT INFORMATION You have a duty to take reasonable care to answer questions fully and accurately, and that any information you volunteer is not misleading. This applies both when you take the policy out and at any time during the policy period. If you do not do so, we reserve the right to void your policy from inception. In the event that it becomes necessary to do this, we will give you seven days' notice of cancellation of the policy by recorded delivery to you at your last known address.

Because an insurance policy can only provide cover in respect of accident, illness, loss or damage for an event/occurrence which is sudden, unforeseen and beyond your reasonable control, you must also tell us if you are aware of any circumstances at the time you purchase this insurance, or any time afterwards, which could possibly result in you having to make a claim; otherwise you may not be covered. You can do this by calling 01623 635958. We reserve the right to charge an additional premium, amend the policy terms, or decline to offer cover if we feel that the information you give us changes our assessment of the risk involved.

WHEN YOUR TWO POLICIES START AND END:

The cover for Policy A, as described under section A of the pre-travel policy, starts from the start date of cover shown on your insurance certificate, after the policy was issued and ends when you leave home to start your trip.

The cover under policy B starts when you commence your trip and ends when you complete your trip. Alternatively, cover will cease upon expiration of the policy, whichever is the first. **No further trips are covered.**

EXTENSION OF PERIOD

In the event of your death, injury or illness or that of anyone travelling with you or because of delay or failure of public transport services you are unable to complete the trip before the expiry of this policy the cover will be automatically extended for medical expenses only without additional premium for the additional days necessary for you to complete the trip.

CRITERIA FOR PURCHASE

This insurance is sold on the understanding that you and anyone travelling with you and named on the insurance certificate:

- Have not started the trip.
- Are a resident of the United Kingdom, Channel Islands or BFPO.
- Are not travelling specifically to receive medical treatment during your trip or in the knowledge that you are likely to need treatment.
- Will take all possible care to safeguard against accident, injury, loss or damage as if you had no insurance cover.
- Are not taking a trip which involves a cruise.
- Are travelling with the intention to return to the United Kingdom, Channel Islands or BFPO within your trip dates unless an extension has been agreed with us and we have confirmed in writing.
- This insurance is sold on the understanding that you are travelling with the intention to return to your home country within your trip dates.

HOW YOUR TRAVEL POLICIES WORK:

Your policy wordings: Your insurance document shows details of both pre-travel and travel insurance policies, including the sections of cover, limits, conditions, exclusions, and information on what to do if you need to claim. The policy is a legal contract between us and you. We will pay for any insured event, as described in the policy, that happens during the period of validity and for which you have paid the appropriate premium. Travel insurance policies have specific requirements for both purchasing and making successful claims. Please take the time to read and understand it straight away as not all policies are the same. All risks which are covered are set out clearly in sections with conditions, limits and exclusions (things which are not covered). No cover will be in force for B – Your Travel Policy if you claim under A. Your Pre-Travel Policy. **Please**

NOTE: cover is only available for circumstances specified in the policy and if your circumstances do not fit that criteria then there is no cover in place.

Cancelling your policies: You have a 'cooling off' period where, should you decide that you find that the terms and conditions do not meet your requirements and provided you have not travelled or claimed on the policy, you can return the policy, insurance certificate and any other relevant documents to **SKI & SPORT TRAVEL** within 14 days of purchase for a full refund to be considered. **Should you wish to cancel your policy outside of the 14 day cooling off period and we agree to this, the following cancellation terms will be applied: In the event you have not travelled and are not claiming on the policy, a refund of 50% of the policy premium and any additional premium applied to your existing medical conditions will apply. If you are intending to claim, or have made a claim (irrespective of whether your claim was successful or not) we will not consider refunding any proportion of your premium. If you have travelled but returned early from your trip, we will not under any circumstances refund any proportion of your policy premium.** Once the policy has been issued you must understand that no alterations and/or additions to the printed terms and conditions of your policy are valid unless made in writing by us. We reserve the right to give 7 days notice of cancellation of this policy by recorded delivery to you at your last known address. In this case we will refund to you the pro-rata proportion of any unexpired premium you have paid.

Be cautious: This policy is designed to cover most eventualities whilst you are on your trip. It does not provide cover in all circumstances and we expect that you take all possible care to safeguard against accident, injury, loss or damage **as if you had no insurance cover.**

Medical cover: Your travel policy is not private health insurance, in that it only covers unavoidable emergency treatment. You need to check that you have had all the recommended vaccinations and inoculations for the area you are travelling to. It is also recommended that you check with your doctor that it is safe for you to travel bearing in mind your method of travel, the climate and the availability and standard of local medical services in your chosen destination. You will then

need to declare your existing medical condition and have it accepted by Fogg's Referral Helpline for it to be eligible for cover under your policy. It is often wise to carry additional supplies of your regular prescribed medications in your hand luggage in case your bags are delayed. **Cover will not be given if travel is against the advice of your doctor.**

EHIC: The European Health Insurance Card (EHIC) allows you (provided you are a UK resident) to access state-provided healthcare in all European Economic Area (EEA) countries and Iceland, Liechtenstein, Norway and Switzerland at a reduced cost and in many cases free of charge. We strongly recommend that you carry it with you when travelling abroad. Remember to check your EHIC is still valid before you travel. Applying on www.ehic.org.uk for the card is free and it's valid for up to five years. If your EHIC is accepted whilst obtaining medical treatment abroad your policy excess will be reduced to Nil. Please note residents of the Isle of Man or Channel Islands are not eligible for and EHIC.

Your excess: Your policy carries an excess and this is the amount you have to contribute towards each claim. All excesses shown for this policy are payable by each insured-person, for each incident giving rise to a separate claim. Your excess may be increased to include existing medical conditions confirmed in writing by Fogg's Referral Helpline. The increased excess will apply to all persons insured on the policy whose claim has been caused by the declared medical condition. If an excess waiver has been paid then standard excess is not applied, however any increased medical excess is still applied in the event of a claim resulting from the condition/s it is attached to.

Other policies: Your policy will not make any payment for any event that is more specifically covered by another insurance policy, and will only pay a proportionate amount of a claim where there is other insurance in force (such as Home Contents and All Risk insurance policies) covering the same risk, and we will require you to provide details of such other insurance.

NOTE: If travelling within Europe you should carry the European Health Insurance Card (EHIC), and use this at state registered doctors and state hospitals to save costs.

What to do if you wish to make a claim under this section of the policy:

In case of serious emergency first call an ambulance using the local equivalent of a 999 call or alternatively by dialling 112 within Europe. While you wait for the ambulance contact our medical assistance service which is open 24 hours a day and 7 days a week to offer you advice in this emergency situation. We strongly suggest you put their telephone number **+44 (0) 203 829 6745** into your mobile phone before you travel so that it is to hand should you need it. Speak to the ambulance driver and get details of the hospital you are being taken to so that our medical assistance service's doctor will be able to obtain a medical report at the earliest possible opportunity.

What the medical assistance company needs from you - when you call our medical assistance service in an emergency you need to have some basic information for them to hand:

• your telephone number so you can be contacted on in case you are cut off;

• the name and age of the patient and as much information about the medical situation as you are able to provide;

• the name of the hospital, the ward, the treating doctor and the telephone numbers if you have them;

• tell them that you are insured under the scheme **SKI & SPORT TRAVEL**

your master policy number SJZIS40012 - 16 and give the premium receipt number, the date you bought it and your booked travel dates;

• the patient's UK GP details, name, address and phone number, in case they need to obtain information on current medical conditions and treatment.

Minor illness or injury - If you need to see a doctor in Europe or Scandinavia then ask your hotel reception or tour operator representative for the address of the nearest public medical facility. In Europe you should show them your EHIC card, medical treatment will be free or at a reduced cost and you will not be required to contribute towards the claim as the policy excess will be reduced to NIL. You will only be covered for the cost of private medical treatment in these countries if this is approved in advance by our **medical assistance service** on **+44 (0) 203 829 6745**. Elsewhere it is advisable to seek advice on where to go for treatment from our medical assistance service if possible, as standards of medical facilities vary greatly and many apparently acceptable clinics which have been set up to target the tourist market and will ruin your trip by insisting on unnecessary admissions and treatment at inflated prices. In some circumstances it may be necessary for our medical assistance service to move you to a more suitable facility.

How to pay for your treatment - Outpatient bills for less than £500 should be paid at the time and claimed on your return. It is very important to obtain an itemised receipt for any monies paid for medical treatment. If you are admitted to a medical facility then you may need to pay the policy excess locally and ask the hospital or doctor to send the rest of their bills to **Fogg Travel Insurance Services, Crow Hill Drive, Mansfield, Notts NG19 7AE**. Our medical assistance service will explain this procedure to them and provide them with a faxed guarantee if necessary, once the validity of your claim has been established.

What happens if I miss my booked flight due to illness? Don't worry, provided you have contacted our medical assistance service your policy will be automatically extended to cover you until it is agreed that you are fit to travel home. Our **medical assistance service** will liaise with your treating doctor and you and once you are fit to travel, they will make appropriate alternative arrangements.

What if you want to come home early? - This policy covers you to come home early because you are ill only if medical treatment is not available locally. If you are thinking of cutting short your trip because you are not well then you must contact our medical assistance service on **+44 (0) 203 829 6745** for advice first. If you need to come home for any other reason, such as the illness of a close relative in the UK then you should make your own arrangements, bearing in mind your duty to act at all times as if uninsured as not all circumstances are covered by your policy. If you are not sure whether your particular circumstances are included in the cover then call **Fogg Travel Insurance Service on +44 (0)1623 631331** between 9.00 am and 5.00 pm UK time for advice.

IMPORTANT ADVICE

1. We recommend when participating in **winter sports** that the appropriate clothing including helmets should be worn, and activities undertaken to match the level of experience you have in that activity.
2. Whilst skiing is fun, there are still rules and regulations which apply - **you** can be prosecuted for behaving in a reckless or dangerous manner. The guidelines are the FIS rules - **you** should read and understand them before **you** ski - following them will help **your** enjoyment.
3. If **you** are not skiing with an instructor or guide, check that the area and the snow **you** wish to ski is suitable for a skier at **your** level - get advice from the local ski school. Never ski in closed areas - it may be there is an avalanche around the corner - or perhaps the mountain comes to a dangerous cliff edge or sheer drop!
4. Whilst skis left outside bars and the like are covered in the event of theft, 'mix 'n match' them - thieves only take pairs! Do not leave other property **unattended** except in **your** hotel room.
