## Careers Newsletter

### **Game Art careers evening with Creative Assembly and Climax Studios**

Join a free virtual Game Art Careers Evening with Creative Assembly and Climax Studios on Monday 22nd November at 6pm.

Don't miss out on the chance to get vital career advice, learn more about industry-professional software and find out how to get ahead in the games industry. Hear from guest speakers discussing career advice and how to get ahead in the games industry! You wouldn't want to miss it.

This event will be hosted by Head of Games, Simon Fenton, who prior to working at Escape Studios, designed and created environments for Sony Computer Entertainment Europe for 10 years, as well as leading teams at senior level.

## Do you have the curiosity and creativity for a career in the world of property?

Interested in a career in real estate?

Whether you want to be the next sustainability star, estates expert or managing director of a project, this course showcases the real estate sector and the wide variety of career possibilities within.

Enter the fast paced world of international property and hear from industry experts developing the International Quarter London near the Olympic Park. How does this impact on local residents and the environment? Is it possible to create sustainable developments that work for all? And how can you be involved in decision making in the future?

Sign up for an online course designed for young people to learn about starting a career in property which is free to complete, requires around 6 hours of study and is suitable for Year 9 and upwards. More details can be found at <https://www.futurelearn.com/courses/pathways-to-property>
